Work Trade Call out - For Immediate Position

We need assistance with our video editing workload for our online programs. We are looking for an aerialist (ideally someone who does rope and and/or silks) who is skilled in Final Cut Pro and would like to do a 100% work trade position of video editing in exchange for participating in one of our online teacher trainings.

The Work Trade Agreement

Educational Tutorial Video Editing

- Estimated editing time 40 hours
- Estimated final running time 6 hours

Timeline: As soon as contracted - April 16th

Editing job in exchange for Full Tuition to any of our Teacher Training Courses (\$870 value). You would still have to purchase your course books and materials and arrange your own studio time in order to attend.

Qualifications:

- An aerialist who is at least intermediate level in silks and rope
- You must be proficient with Final Cut Pro video editing software in basic editing techniques such as clip trimming, retime, freeze frame and overlaying audio.
- Must have a subscription to FCPX or higher, we cannot work with other editing software for this position. FCP only please!

Job:

You will be helping us with editing jobs around our online tutorials. All of the content is created by Paper Doll Militia, but we are looking for an aerialist so that there is familiarity with the material, but you will not be expected to “contribute” to the content...only edit.

If you would like to be considered for this position please email us at info@paperdollmilitia.com. Please send us any applicable CV material and / or an email about your skills and interest in our program.
